Ensuring Business Continuity And Security For Retail Operations

Accops' Solution Ensures Secure Remote Access And Business Continuity For A Leading Food Manufacturer

CUSTOMER OVERVIEW

Fast-growing food processing company known for its diverse, high-quality range of products trusted by consumers and businesses alike.

PROBLEM STATEMENT

The client faced challenges in ensuring secure remote access and business continuity during the COVID-19 pandemic:

- Increased operational risks in the remote-first operating model.
- Low bandwidth connections led to poor user experience and productivity loss.
- High costs and complexity of setting up a WFH infrastructure.

REQUIREMENT

The client needed a secure, flexible digital workspace solution to support WFH, improve performance, and address data security concerns.

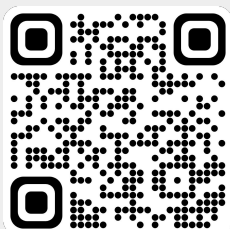

ACCOPS SOLUTION

Complete Accops Digital Workspace solution with HyWorks, HySecure, and HyID.

BENEFITS REALIZED

- **Rapid onboarding:** Centralized management enabled fast onboarding of new users.
- **Cost efficiency:** Reduced total cost of ownership (TCO) by 50% compared to previous deployment.
- **Seamless WFH transition:** Ensured business continuity with secure, flexible remote access for all users.
- **Strengthened security:** Robust data leakage prevention and device health checks minimized compliance risks.
- **Improved productivity:** Optimized bandwidth usage led to better app performance and user experience.
